You’re never without your PIN.
As you travel, you will find that Chip and PIN terminals are becoming more common and require the use of a Chip and PIN enabled card. To complete a purchase at these terminals, you will need to enter a PIN rather than provide a signature. It is important that you remember your PIN and do not share with others. You can retrieve a forgotten PIN online at any time by visiting: www.bofaml.com/globalcardaccess after a one time registration.
The instructions on the next page will help you get started.
Global Card Access Registration  All users must self-register for access to Global Card Access at: cardportal.works.com/acctservices/.

After registration is complete, users may access other applications within the portal to which they are authorized, such as Online PIN Check and Alerts. Your organization must be configured for an application to view and access the application within Global Card Access.

Once below is completed, click Submit. The New User Registration screen displays.

Must be as it appears on the front of the card.
Also on the front of card.
Last 3 digits on the back of the card.
Contact PCard@wfu.edu for WFU Verification ID.
Please create a new User ID and Password
